Jack,

Ex. 5 - Deliberative

Total time of the contractor required by contractor up to 150 hours for item one , 100 hours for item two, and 50 hours for SOP and review.

I hope this outline helps. The study will start first week of April.

I spoke with my supervisor. He wants you to proceed.

But....can you give me a little more for justification? A little more detail on costs...

Thanks
